DEDICATION

Perhaps the best way to acknowledge the enthusiastic support and service Mr. Doliber has given the Class of 1971 would be to say: "Thanks, DAD." His direct nature and keen mind have been important assests to our Class in the past two years. He has always been there to help when we needed advice, be it in regard to Frolics, Senior Privileges, the treasury, or Santa Claus. Many have known him as Uncle Duck or Ducky Doliber —a good natured, easygoing individual. In deep appreciation we dedicate the 1971 MITOBO to Mr. Donald A. Doliber.

To everything
there is
a season—

And a time to every purpose
under the heaven—

A time to be born
and a time to die—

A time to plant
and a time to pluck up
that which is planted—

A time to kill
and a time to heal—

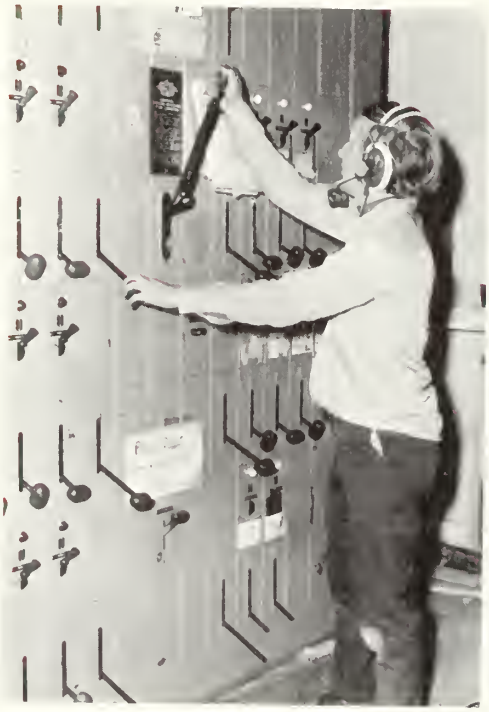
A time to break down
and a time to build up—

A time to weep
and a time to laugh—

A time to mourn
and a time to dance—

A time to get
and a time to lose—

A time to keep and
a time to cast away—



A time to mend and
a time to sew—

A time to keep silence
and a time to speak—

A time to love
and a time to hate—

A time of war
and a time of peace.

ART AND LITERATURE

A rising sun
A dawning day
The beginning . . .
The end . . .
Of one man's life.

SUSAN MOORE

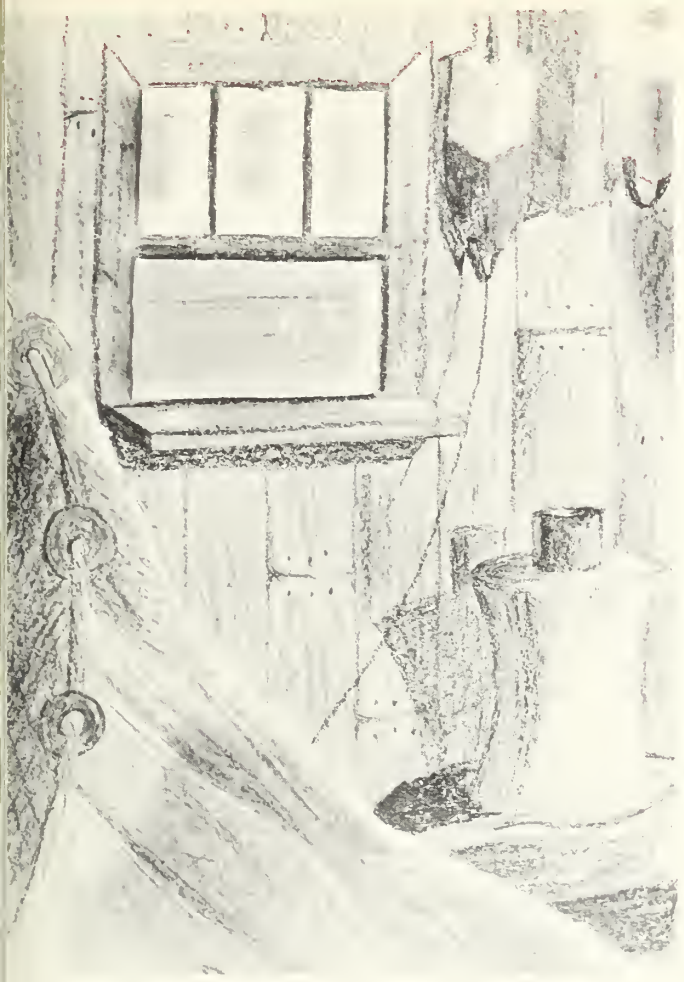
Thinking
Of all the things
I've never done,
All the places
I've never been—
The opportunities seem
So limitless—
I wonder
Just where to go
From here

ANN CURTIS

Growing Up

Here I am,
Looking back
Into the maze of memories,
Searching still
For that intangible force
Which made everything so vital—so real.
Here I am,
Looking forward
Toward a future,
Which, with its new beginnings
Brings a sense of awe
And a new awareness.
Here I am,
Seventeen years old,
Caught up in the middle,
Clinging to the past and its security,
Yet reaching out to the future,
Realizing that it's time to break away
And to stand on my own.

L. SPAKOWSKI



One queries:
What is our problem: the problem?
Where does it hide?
(Or does it?)
Maybe we know where it is
    But shroud it—
Fearing it will be uncovered.
    I said a problem.
    This problem we mask:
What is it?
    We take so much pain to hide it
    That
We forget:
    It is
IDENTITY
    See it?
Remember it.
Keep it.
Use it.
    Without it:
What am I?
What are you?
    It has been shunned:
Within ourselves . . .
. . . not a system
FIND IT!
    Don't be ashamed
Discover yourself
    Be yourself
Don't be timid
    Don't perform
Live your life . . .
        . . . Your Way!

J.B. RENDLE

We Face the Sun

We face the sun, our backs to yesterday—
We are today, we'll be tomorrow,
Though sometimes scorned, we'll stand up straight,
And fight with truth
    instead of stones.

We once were rivers, now we're the ocean.
Our ways unsure, but goals are set.
Our minds are deep, conscience clear,
Humanity will prevail, through tomorrow
But tomorrow's infinity, it's never reached,
    never dies.

So there is time, for us to live,
To show the world: "We're headed right."
Today we lead, but not forever.
We know someday, we'll step aside.
When new waters overflow our ocean,
We become the Rivers to tomorrow.
    But tomorrow's infinity,
    It's never reached,
        Never dies.

MARTHA DUNPHY

A miniature stone
Seen with brothers as a beach
In itself, a world.

DANA JONES

Lonliness seeps in,
like rain through a
crack in the roof
Until you are nothing,
nothing better than
a flower in the snow.

SUSAN SHIPLEY

Stages

Dawn—I marveled at the sunrise,
The radiating warmth touched me
And I gazed upon a glistening world—
I had only begun to see.

I wanted to question, but knew not how to ask.

Noon—I did not believe the sun was overhead.
My shadow disappeared, and I stood alone.
Through the clouds—one ray of light shone brightly.
I found a door, but had no key.

I questioned, but did not hear the answer.

Dusk—I take it for granted that the sky is glorious—
Awash with the hues of the setting sun,
A masquerade that camouflages the landscape.
I am beginning to see.

I can answer, but no one asks the question.

Evening—The sun will disappear slowly,
Taking with it the vital flame
Which radiates warmth to all;
Leaving no trace—it is forgotten.

IN MEMORIAM

Summer 1968. It was a bright summer — everyone just out of school and looking ahead to bright days. The summer of 1968 was not a bright one because we of the class of 1971 suffered a tragic loss — the loss of Bruce E. Porter.

At Masconomet Bruce was an honor student, played end in football, was the playmaker in basketball, ran hurdles in track, and somehow found time to play the clarinet in the band.

Outside of school Bruce was just as active. He played both knothole and Pony League baseball and was a member of the Huntsmen Band of Wenham. Boy Scouting epitomizes the type of guy that Bruce was. He received the God and Country Award, was a member of Explorer Post No. 81, the Order of the Arrow and was an Eagle Scout. Bruce's activities in his church, the Congregational Church of Topsfield, characterize his deep involvement and concern for others.

Bruce's personality was truly dynamic. With the guys he would joke, laugh and have the best of times. It seemed that every girl, to the envy of all the boys, had a crush on him at one time or another. He was the friendliest type of kid. He would give of himself for a friend and his friendships were sincere and many.

Bruce was one genuine guy and we miss him.

VARSITY FOOTBALL

Although Masconomet did not have a winning record this season, the Chieftains played some exciting ball games. The high point of the season was a near upset of a strong Ipswich team. Called a "Rebuilding" year by Coach Roberts, Masconomet is sure to have good seasons in the next few years with many fine ballplayers returning. Fine performances were turned in this year by Alex Rotsko, Jim Bishop, Bob Hooven, Ted Napp, Steve Ludwig, Jack Huckins, Dan Sawyer, and Joe Thomas.

Coach Finnigan: "If you want to run up and down the field all bunched up and not play as a team, fine and good; but you'll never beat Marblehead that way!"

This year's Field Hockey team was one of the greatest in Masconomet's history. The team ended up with a 9-2-2 record and tied for first place in the Cape Ann League. Joanne O'Brien, the Varsity goalie, had a great season with 9 shut-outs. High scorers were Sandy Helve and Laurie Frizzell, both with 8 goals.

Although things didn't work out as well expected, we had a lot of fine games, and a of fun winning. Upsets were the key to year's season. First Masco upset Ipswich snapped a twenty-three game winning streak to have last place Rockport defeat us by point. Masco had fine leadership under co-tains Ted Healey and Alex Rotsko and g support from Jeff Walker, Jeff Miller, and C Ackerman.

BOYS' J.V. BASKETBALL

Coach Sauchuk: "Fundamentals win games,"

The Masconomet J.V. Basketball Team posted a league mark of thirteen wins and three losses enabling them to capture first place in the Cape Ann League. Good shooting was one of the strengths of the team with Dave Church leading the team with over two hundred points. Alternating between J.V. and Varsity were Dick Balentine and Rick Butler who, besides adding scoring punch, brought additional strength under the boards to the team. Handling the big job at center were sophomore Todd Mayo and junior Bob Campbell. Rounding out the starting team were Mark McMenimen, an all-around good basketball player, and Steve Small, who quarterbacked the offensive attack. When the starters tired, Mike Pilczuk and Steve Miller came off the bench to do the job.

ROW I: J. Burke, S. Harding, M. Scollard, D. Printup, C. Andrews; ROW II: Mr. Hodson (coach), M. Wyner, J. Carlton, D. Smallidge, M. Walker, F. Harrington, R. Worthen, J. Canning, D. Bernard, R. Smith, J. Iovanella, R. Race, P. Rolsma (mgr.), T. Santagate (mgr.).

BOYS' FROSH BASKETBALL

Coach Hodsdon: "With their talent, interest, and enthusiasm for the game — Masconomet's future success in basketball should be assured."

The Freshman Basketball Team enjoyed a successful 13-5 season. Mark Wyner led all scorers with over 300 points. Dick Worthen did a superb job of rebounding all season long. Dana Bernard, Joe Burke, and Scott Harding were the bulwark of a defensive-minded team which only allowed an average of 43 points a game. Rob Smith and Jay Canning led a hardworking and effective group of reserves who must take a great deal of credit for the team's success.

SOCCER

Masconomet's first-year team surprised everyone by compiling an excellent 7-2-3 record. Of the starting eleven, seven were seniors. They were led by tri-captains Jeff MacGill, who was the team's starting goaltender, Chip Ackerman, who piloted the defense, and John Small, who led the scoring attack with his fine playmaking and shooting. After their first two losses, Masco went on to win or tie their next ten games with help from seniors Dan McCraine, who was superior on the line, and Steve Cox, who was considered one of the best defensive players in the league. Much consideration and thanks should go to Coach Dave Balser who, in his first year of coaching, did a great job.

GIRLS' GYMNASTICS

Coach Driscoll: "Point your toes!"

This year the team consisted mainly of freshmen and sophomores and so was just beginning to get the experience needed for a strong winning team. Vaulting was our strongest event this year with two of the girls, Laurie Fraser and Jane Woodbridge, qualifying for the State Meet. The team, captained by Laurie Fraser, exhibited team spirit and always managed to perform their "very" best although they were continually faced with tough competition. Everyone had a "fun time," and with the hope that everyone returns to work hard next year, we will be the "tough competition in our league!"

WRESTLING

Coach Torci: "Okay, you guys, let's win this one! You can beat this team! You're a lot better and you've worked harder. Sliney, are you going to make weight this time?"

In the Cape Ann League our J.V. team placed 4th. Benulis and company got 1st place. Rich Burley took first place in the Varsity League and also took the most outstanding player trophy. The team worked hard and had good results as a first year team. It is hoped that school support will be better next year to increase the team's morale.

Coach Talbot: "Move the ball to the left side; all your shots are over in the right corner."

The girl's basketball team placed third in the Cape Ann League with a record of 5 wins and 3 losses. The overall season record was 7 wins and 4 losses. Senior Laurie Frizzell, averaging 24 points per game, was outstanding throughout the season both offensively and defensively. Jan Weyland, Pat Lindh, Cindy Martin, and Peggy Ackerman were the other starting players. Jan's and Pat's set shots with Cindy's jump shot combined in the final team scores. Center Peg Ackerman demonstrated outstanding defensive playing by controlling the boards. Other girls on the team were Kathy Russell, Emily Schroeder, Nancy Anderson, Leslie Harrison, and Pat Hey. These girls should be commended for their efforts, their spirit, their enthusiasm, and their determination.

The future looks bright for the team as there is a strong nucleus of players returning for next year.

GIRLS' J.V. BASKETBALL

Coach Talbot: "Look where you are passing the ball."

This year's Junior Varsity Girls' Basketball team played an exciting season with many ups and downs. Even though our record was only 4-7, we always managed to put up a good fight. Although we had a few disappointments when we lost by only a point or two, we chalked it up to experience and hoped to do better the next time. Everyone put her utmost into every game in the hopes of winning. Under the supervision of Coach Talbot, who put us through a rough and strenuous season, we all had fun and enjoyed it.

MASCONOMET SKI TEAM

Masconomet's ski team finished their first season with a fine 11-1 record. Practicing on a hill built by the ski team, they worked hard in accomplishing their fine record with no school support or funds. Excellent performances were turned in by Gary Clark, Jim Reidy, Mark Burns, Scott Houser, John Hills, Andy Smith, Stina Nutter, Suky Bixby, and Ann O'Brien. More school support would be helpful in coming seasons.
